

**AASD/AXA ADVISORS DISTINGUISHED LEADER AWARD  
2015–2016**

AASD and AXA Advisors will recognize selected Distinguished Leaders in the categories listed below at the Annual Summerfest Event on Friday, June 24, 2016, at Marina Village. This year, the Distinguished Leader awards are co-sponsored by AASD and AXA Advisors. AASD thanks AXA Advisors for their generous support of these awards.

The nominees for the Distinguished Leader Award must be a classified or certificated employee in a management or supervisory position or a retired member. Any member or retiree may nominate any member or retiree for this award (you do not have to limit your nomination to your specific job category). For example: A middle school principal may nominate a POS/BSS III or a Vice Principal may nominate a Food Services Manager, etc.

**Nomination forms are due to the AASD Office by April 25.** Please use the “Nominee Recommendation Form” to submit your nomination. Each candidate needs to have only one (1) Nominee Recommendation Form submitted to be considered for this award. Please send the form to Margie Klassen, AASD Office Clerk, via fax (619) 295-6274 or email [margie@asdc.org](mailto:margie@asdc.org).

A selection committee consisting of the AASD President and representatives from the Member Relations Committee will evaluate all nominations for the 2015-2016 Distinguished Leader Award. Nominees will be evaluated within the context of the selection criteria, which are within the themes below. One distinguished leader will be selected from each category in which a Recommendation Form was received.

The constituency of your AASD Board of Directors was used to determine the categories for this award, which are the following classifications: Sr. High Principals; Middle Level Principals; K-8 Principals; Elementary Principals; Secondary VPs (includes High School, Middle Level and K-8); Elementary VPs (includes K-8); Central Office Certificated; Early Childhood Education Administrators; Classified Managers (includes School Police); Classified Supervisors (includes School Police); Food Services (includes Food Services Supervisors and Area Supervisors as well as Food Service Central Office Supervisors/Managers); POS/BSS III; and AASD Retiree Network.
